SUBJECT: Approved MILSTRIP Change Letter (AMCL) 38, Inter-Service
Use of Distribution Code 6

d. DLSSD Memorandum, 18 Dec 89, subject: Defense Logistics
Standard Systems Changes.

2. The enclosed change to reference 1.b and 1.c is established as
Approved MILSTRIP Change Letter (AMCL) 38. The Services/Agencies
provided their implementation dates as requested by reference 1.a.
Based on Service/Agency responses, AMCL 38 will have staggered
implementation dates. These dates are as follows: 1 Nov 90 for
Coast Guard, GSA and NSA; 1 Nov 91 for Army, Navy, Marine Corps and
DLA; and 1 Nov 93 for Air Force.

3. AMCLs containing the same cyclic implementation dates will be
incorporated into an interim/formal MILSTRIP change after the
established implementation date. Addressees are reminded that the
specific paragraph/appendix numbering may be revised in the
interim/formal change at time of publication due to the long lead
time involved prior to implementation.

4. This change meets the criteria set forth in the reference 1.d
moratorium memorandum for continued processing to completion and
establishment of an implementation date.
